## **BMW Performance Center Cars & Cookout**

We are pleased to invite you to the inaugural Cars & Cookout at the BMW Performance Center. On September 25th, the EURO family will be participating in this event and lending our support to our longtime partners. Not only will we be enjoying what is sure to be an amazing day with some high-performance vehicles, but our very own Paul Ianuario (EURO Founder) will be the Chief Judge. Please be sure to register soon as the 100 car allotment for judging will fill up quickly.

If you are just wanting to enjoy the day without being judged, there will be plenty of room for your vehicle. All makes and models are welcome and there is no limit on the number of vehicles that can attend (only the first 100 will be

judged). All details are below, as well as a link to register for this event. We look forward to seeing you soon!
