

****SAVE THE DATE ****

NWCC (Northwest Crossfire Club) is excited to announce we will be hosting CAA #7 (Crossfires Across America #7) in July 2016. Based in Yakima, Washington July 11-14th, we plan to have four days of various drives exploring different areas of Washington State...plus many other ideas to keep us all busy when we aren't driving. Also, we are considering, for those interested in NOT heading home immediately after CAA...of extending the fun into the weekend and heading over to the Washington or Oregon coast. We are thinking those of you coming from so far may want to just drive a couple MORE hours and dip your toes in the Pacific Ocean! More information on all of that will come as we start to get a feel for how many might be attending, and as we finalize things up... in the meantime...your motel information is below. Book your room now! We hope you plan on coming!
