

## **Save the Dragon Motorcycle Rally**

Sponsored by the Stop I-3 Project of Waysouth

**October 10-11, 2009**

Sign in from 5-7 on Friday October 9 and 7-9 Saturday 10

**Best Western, Murphy, NC**

Three rides will be featured; an all-day Saturday ride along the Tail of the Dragon, a morning ride and an afternoon ride. The ½ day rides will be repeated on Sunday. These rides are to raise money to stop Interstate 3 which in the original route will eliminated the Tail of the Dragon. As the Federal Highway Administration gears up to start the study of this corridor, we need to let them know loud and clear that we don't want a four-lane highway to interstate standards to destroy this classic motorcycle run.
