2013 is Continental Car Tours' 20th anniversary of the annual Laon Historique, a non competitive event dedicated to any type of vintage, classic, sports and kit car. The town hosts a classic car parade for over 500 classic and vintage cars from all over Europe. Strictly not a race, this closed

street run is one of the few motoring events that you can actually participate in, instead of simply being a spectator.

The Laon Historique has now become the largest classic car motoring event in Europe and offers a four day long weekend. "Never had so much fun with your clothes on".

On Friday morning catch the inclusive Dover-Calais ferry and take a leisurely drive of 140 miles to your hotel in Laon, via the magnificent ancient town of Arras. On Saturday morning all participants sign on for the scenic regional tour, collect a rally plate and route book and join the classic convoy exploring the local countryside.

The whole town is amass with spectators lining the streets, who come to watch the biggest cavalcade of classic cars and sports cars in Europe.
